my child emily judd was in foster care 2023
the foster parent wanted to stop being her
caregiver. The dept of children services
agreed to let emily come home to me,
her father but wanted her to go to a
state residential home for therapy for
3 months. she was there 8 months,
they then sent her to utah for
an additional 9-12 months. Dept
children services stated the reason
"running her mouth." I am disabled
100% I can't afford to move to
utah to parent my child. I've only
been allowed 30 minutes in phone
time with her. my constitutional right
to parent my child is being violated.

Cont

She has been in Utah 1 month.
I have always been a single
parent to her. Her birth mother's
rights were terminated due to
killing her younger brother. She
had Monobausen disease. I have
been both mother and father to
Emily. The states decision made
by Shonda Miskle acting under
color of law "Dept children services",
has devastated my family. Shonda
stated in a team meeting they
had more resources than me to
parent Emily. I beg this honorable
federal court to hear my case.
This statement only touches on
the rights as a parent I have
that they have violated.

I am powerless over the Dept. of
children services. I am only one
man. I beg you to hear my case.

I want my daughter returned to
me and I ask this court for
damages of \$50,000.00
